

David Robinson does a victory dance after the first three touchdowns he scored Friday night in a homecoming blitz the Raiders won over Miami Pace 54-19. The high-spirited boogey cost the Raiders in a penalty when they kicked off from their 25-yard line on the next play but Preston Vickers showed it didn't matter when he picked up a fumble and scored less than half a minute later. More pictures and story on page 1B.

Homecoming is...

THE GLADES"

VOLUME 40 - NUMBER 3

THURSDAY, OCTOBER 20, 1977

Chamber dinner set for tonight

BELLE GLADE - Tickets for the Annual Chamber of Commerce Awards Banquet tonight will remain on sale until 5 p.m. today according to Executive Secretary Jewel Crane, who said the \$10-per-person tickets will buy a prime rib dinner and the chance to hear State Treasurer and Insurance Commissioner Bill Gunter.

Gunter was expected to hold forth on his favorite topic of an amendment to the state constitution which would disallow suing for pain and suffering in lawsuits resulting from automobile accidents, a move he says could save motorists up to 30 percent of their insurance rates.

This is the primary platform on which Gunter has stood in his early campaign for the 1978 gubernatorial election.

Mrs. Crane said the Chamber had already sold just over 180 tickets, with some more being held, by Tuesday afternoon. Until then, sales were restricted to Chamber members and she said of Wednesday morning, the tickets were also available to the general public. She said she expected the final tally to mount to more than 220.

Members of the Board of Directors, who met in their

regular meeting last Thursday, including the four new directors, were to have met at the Elk's Lodge Wednesday and this afternoon to help in the decorations for the banquet, scheduled to begin at 8 p.m. tonight.

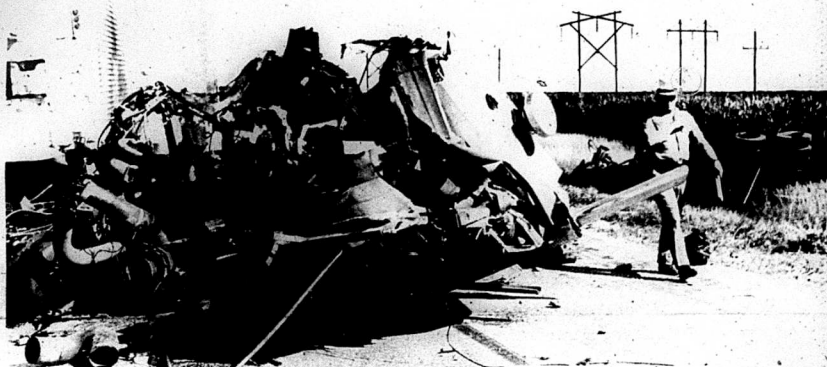

"If anyone wants a before-dinner drink," Banquet Chairman Mary Orsenigo said, "they're free to come early but they're on their own." She said there had been no arrangements made for bar service at the banquet in order to save money on the lodge rental fee.

She said table decorations are being donated by Alice Mixson and Sherry Barnes. Numbers will be placed under one seat at each table, she said, and the person sitting in that seat will be able to take home the arrangement on that table.

In discussion other than the banquet, the directors decided to attempt to find some group, such as the Boy Scouts, to collect donations for the first time ever when the Chamber holds its annual regatta at the Municipal Marina on Nov. 13.

Newly elected President Dale Stepp said the Chamber Execu-

Killer 80 claims another

ONE DIED AND TWO LIVE out of the wreckage of this head-on collision about two miles east of Florida Sugar Corporation on SR 80 Tuesday afternoon. Florida Highway Patrol Trooper D. F. Hudson, who worked the accident with Trooper Danny Pursell, surveys the remains of the spectacular wreck which claimed the life of Howard McDonald of Farragut, Iowa; left his wife, Emily McDonald, 48, also of Farragut, in fair condition and the driver of the

Rubin's dump truck, Rodney Vincent, 25, of Palm Springs, in critical condition in intensive care, both in St. Mary's Hospital in West Palm Beach. Hudson reported Vincent, eastbound on 80, crossed the center line and slammed into the semi-truck head-on before his asphalt truck careened over to the south shoulder and down the embankment. Damage to the destroyed vehicles was estimated at \$12,000. Charges are pending. See Editorial Page for comment. Staff Photo

GLADES CENTRAL HOMECOMING Queen Sheila Byrd and her escort, Cornelius Colbert, provided a focal point themselves at halftime ceremonies in a Raider victory over Miami Pace at Friday's homecoming in Memorial Stadium. More pictures and stories are inside. Staff Photo

Avenue A job done

BELLE GLADE - The final phase of the downtown sidewalk and street improvement project on Avenue A and Southwest Fourth Street were begun Tuesday and were scheduled to have been completed Wednesday with the resurfacing of the two streets.

City Manager Robert R. Sanders announced the final phase during a press conference Monday when he said the two streets would be closed for the two days for the paving work to be completed. The sidewalk work had already been finished on the two streets.

Sanders said the paving also brings that much closer the one-waying of the two streets, along with Southwest Avenue B, commenting the one-way traffic will begin in about a month, along with the enforcement of traffic meters there and on Main Street.

Although the one-way traffic was originally supposed to have started where Avenues A and B meet Southeast Second Street, the City Commission decided some weeks ago it will begin on Main Street, with one way traffic west on Avenue A, south on Southwest Fourth Street to Southwest Avenue B and east on Avenue B to Main.

In preparation for the paving this week, Sanders said he had

Two queens for a Glades Day

TWO HOMECOMING QUEENS were chosen this year at Glades Day School and crowned at festivities Friday night. Miss Denise Hooker was crowned queen by Gator quarterback Tommy Duda and immediately

afterwards, Headmistress Miriam Burgess was awarded a bouquet and named honorary homecoming queen. She was escorted by principal Ed Van Duyne. Staff Photo

It was a mighty good week for football in the Glades.

The weather was perfect and Glades Day, Glades Central and Pahokee High all came away with improved records.

For Glades Day, it was the key game of the year. Gold Coast stood fourth in the state in Class A and was unofficially ranked as the team most likely to capture the district.

Now Glades Day is the unofficial district champ. Every other one of the four teams in the district has been defeated, except for the Gators.

If they beat Westminster and Moore Haven, and the chances are very good at this point, they'll have to take on the winner of District 8 in Miami for a chance at the regional playoff. Then it's on to the state playoffs.

Wish them luck along the way.

For Glades Central, the game was a "biggie." The first quarter was the telling point when the Raiders, who have not been executing their plays as they should this year, scored 20 points in the first five minutes.

The big 54-19 victory evened out the Raiders at 2-2, and perhaps more importantly, may have instilled much-needed confidence in the players. This could be a key in the future.

Pahokee's Blue Devils are an always tough foe not taken lightly by any opponent and their 39-13 win over Miami Archbishop hasn't hurt them one bit.

I have a special fondness for the Blue Devils, having played my high school football with a team of the same name, but our luster was quite a bit dimmer than that of Pahokee's.

The Glades have built up a reputation for football over the past years...and that reputation is not getting any less distinguished by victories such as these.

Our congratulations to the teams, players, and coaches. And a lot of the credit for the season going as well as it has can be attributed to the loyal fans and student bodies of the three schools. Good job.

I'm told by a usually reliable source, wife Lilly, that Disney World is a mighty fine place right now. It's not as crowded as usual, she says, and the cool weather over the weekend made the 15-mile circuit of the exposition almost enjoyable.

She and son Burke went up there this weekend with some friends, allowing me a rare weekend to myself, which I took full advantage of.

Burke's only 18 months old, but if you ask him his age, he says "six" and I really think he means it.

But he's apparently pretty handy to have around in a crowded restaurant. Lilly said they went into one and when they were not immediately seated, he began yelling "Eat Eat!" at the top of his lungs until a waitress hastily found an opening.

Impatient sort. Takes after his mother.

Joe Crews of Pahokee and I were discussing the price of coffee the other morning and I mentioned the Disney World trip to him.

He and I agree. One trip is plenty. We'll let the wives carry the kids and grandkids to see Disney World from here on out. We'll stay home and watch the ballgames or entertain ourselves in other ways.

Opinion

Who's to blame?

This wouldn't have happened on a four lane road

What's good for the goose...

One of the most important lessons for a novice propagandist to learn is what kind of tag to hang on a given action, philosophy or thing to create the desired feelings.

A case in point is the so-called reverse discrimination suit

now before the U.S. Supreme Court.

The policy of the University of California Medical School which denied Allan Bakke entrance when there were others less qualified than him may have been racial discrimination aimed in another direction but the fact remains the key word is racial, not reverse.

And a point to remember is that if one person may be discriminated against because of his race, for whatever reason, it would be just as legal to discriminate against someone else because they happen to be of another race.

Holding a person out of medical school, or keeping that person from holding down a job for that matter, for any reason other than competence is wrong.

It was wrong at the turn of the century. It was wrong in the Fifties and it's no less wrong now. Nor will it be less wrong at any time in the future.

If this country hasn't learned that lesson by now, the chances for ever learning it are dim indeed.

And none of us are safe.

Letters to the Editor

Dear Sir:

Some reactions after the war.

After the war and failure of the League of Nations to become an organization; in the Presidential election of 1919, Warren C. Harding, a Republican, was elected President. His administration, to say the least, was not one of our greatest. Unfortunately, he surrounded himself with people who were not interested or concerned for the good of the

nation, but only themselves.

A false economy which gave the wrong impression to the people and spawned high powered unscrupulous salesmen in all kinds of commodities. Selling Florida white sand scrub land as "White Muck." High land and dry farm land located in the middle of Cypress Ponds. Worthless stock as blue chip offerings. Creating the largest legalized gambling operation in the world in the stock exchanges, where people gambled with life savings and wound up broke. There is an old adage which says "He who plays or dances must pay the piper and fiddler". This proved true in the land boom bust, and the stock market debacle.

The piper and fiddler started collecting from their Florida boom, dancers and players in 1925-26. They closed several banks, and brought into being that, most famous slogan "closed for the protection of the depositors". After which they charged theft up to 90 percent of their deposits as interest for protecting them.

Then in 1929 the piper and fiddler demanded their pay for play and dancing in the stock market. This caused a national disaster. The Empire State Building became the favorite jumping off place for some of the bankrupts and losers. The economist who helped bring this about by rosy predictions gave the disaster the less offensive name "depression" in which the economy would rise up and come from around the "corner".

President Herbert Hoover stated at least once a week it would. This depression brought a march on Washington by the veterans who had been conscripted to fight in this war, asking for help to get food and other necessities of life for their families. They received from a grateful nation for their dedicated unselfish service a br... help evacuation by the nickel States Army.

This we should remember.

Sincerely,

W.L. Cunningham, Sr.

The Canal and the Baltics

Dear Sir:

I request you to publish my letter:

THE PANAMA CANAL ZONE AND THE BALTIC STATES

Those who are afraid of world opinion and condemn the United States ownership of a narrow zone in Panama condone the illegal seizure and annexation of the three Baltic States - Lithuania, Latvia and Estonia - by the Soviet Union in 1940. The Soviet Union wanted to obtain the ice-free ports of Latvia, Liepaja and Ventspils; so the Russian troops occupied these states.

The history of Panama is very murky. Unfortunately, United States citizens are not well-informed about the glorious history of Lithuania. Medieval Lithuania saved Europe from the Tartar yoke. In the 14th century, the boundaries of Lithuania stretched from the Baltic Sea to the Black Sea. Later Lithuania was united with Poland.

Lithuania was annexed by Russia in 1795. The independence of Lithuania was restored in 1918 and lasted to 1940.

Concerned persons should ask members of the Senate to vote against the new Panama Canal treaties, which surrender the territory of the United States.

Sincerely yours,

Dr. Alexander V. Berkis

Help clean up

In all too many cases the residents of the community, any community, get involved in the operation of their city government once a year when election time rolls around.

Between those annual elections, if there's any involvement at all, it comes only when those residents are personally effected by some action taken by the governing body.

Which is why we were encouraged by a couple things last week at the regular City Commission meeting.

The first came up when Jerry Roberts, himself a two-time candidate for the commission, presented a list of things a group he represented wants to see accomplished by the city fathers.

Some of the goals are already being tackled; some are good ideas which haven't been considered and some are unrealistic. The point is that someone was thinking about how to improve the community and that's now any improvement gets started.

One of the ideas mentioned in the list, with one change, could be more beneficial to the community than all the other 13 put together. The concept is to get new faces on city boards and committees.

The same concept is evident in the appointment of members to the Citizen's Advisory Committee now being formed.

Each of the five commissioners will appoint a member to the advisory committee, which will act as a liaison between the community at large and the commissioners and will hopefully provide more input in what the citizenry wants to be accomplished.

Four of the five commissioners were named last week and the fifth is expected to be announced during the next meeting.

CRACKER CRUMBS

BY DEAN JONES

The trouble with putting your foot down is that all too often someone comes along and steps on it.

But as The Preacher put in Ecclesiastes, at all times there is a season and 'tis the season for putting feet down. Men of the world, Arise! There is a conspiracy afoot and we're the only ones who can stamp it out.

It was bad enough to begin having to make it a point to ask if a shirt has two pockets when I went shopping down to the local haberdasher. Personally, I thought it no less than sinister when the first shirts came out without pockets, but now, My God, now they want us to wear pants without pockets.

First time ever I heard about it was a few years ago when some sissy came out in a Paris fashion show with bright yellow tinted jacket and trousers and nary a pocket anywhere...but he did carry a nice looking matching yellow patent leather handbag, fellas.

Laugh, as the cliché goes, though I'd die! Seems just about everyone else I remember talking to about it at the time were rolling in the aisles too.

It ain't so funny anymore.

Those dudes are trying to make fruits out of everyone and if we let 'em do it we're going to be in the same boat women were in not so long ago, and are still in to some extent, and we won't have anyone to blame but ourselves.

Come to think of it, we ain't all that far away from the little ladies' predicament right now. Changes come along every year, and seldom for the better, on things like wider or narrower lapels and neckties, the width of cuffs and just about every other useless facet of a man's wardrobe.

Notice there isn't a thing in that list that's really essential to being well dressed. At least there isn't anything there that's essential to 'anyone with common sense'.

It's an historical fact the necktie was invented by a mad Croatian tailor with a decided streak of sadism in his unbalanced nature.

His excuse, as I recollect, was to inflict some form of self-flagellation on the then-King of the Croats who'd stolen his wife for a night. I suppose he didn't have a gun permit so assassinating was out. So the punishment was worse than death for every man since.

Cuffs, of course, were invented by Modesto, the mad Monrovia monk who was also a natural scientist. He made the perfectly logical discovery they were the perfect way of picking up specimens of dirt, seeds, sandspurs and other flora and fauna on his outings into the Monrovia mountains.

And everyone knows lapels were the result of a rush conference called by the British textile manufacturers' 1719 council to comp up with a way to push the excess cotton they had on hand as a result of a bumper crop of sheep.

At any rate, some fruitcake designers are obviously thinking now they're going to tell us what we're going to be wearing every year...with major chances every year of course to build up trade.

That's bad enough but when they start attacking pockets, they're attacking the American Way of Life, not to mention the British Way of Life and the European Way of Life.

Pockets are essential. Not only that, they're necessary and by Aunt Hannah, we men need 'em more than all the cuffs, lapels and ties in the world put together.

There's a possibility the designers may find out most men would rather be right than twish down the street with a purse.

Gentlemen, cry for peace, peace, but there is no peace! The war is already begun.

Is peace so dear and fashion so sweet as to purchase them with chains and slavery? Forbid it Almighty God!

I know not what course others may choose but as for me, give me pockets or give me death!

It was a mighty good week for football in the Glades.

The weather was perfect and Glades Day, Glades Central and Pahokee High all came away with improved records.

For Glades Day, it was the key game of the year. Gold Coast stood fourth in the state in Class A and was unofficially ranked as the team most likely to capture the district.

Three inducted into Woman's Club

PAHOKEE - Three new members were received into the Pahokee Woman's Club during the business meeting held on October 12, with the president, Ada Bush, presiding.

Betty Herring, Hilda Wilkinson and Louise Henderson were accepted into this membership by unanimous vote.

Ethel Johnson gave a report on the activities of the Happy Friends Club. This group has just purchased and placed a large self-defrosting refrigerator in the clubhouse, which adds greatly to the efficiency of the kitchen.

Clark Wilkinson reported the Lions Club of Pahokee plans to sponsor an Athletic Club. Members voted to endorse this Lions Club project.

Bonnie Miller reminded everyone that the Blood Bank at Everglades Memorial Hospital is open for blood donations every day from 12 o'clock to 8 p.m.

Members are asked to bring their Christmas donations for the Hacienda Girl's Ranch to the November business meeting, instead of waiting until December.

President Ada Bush requested that each member bring a suggestion for a service project toward community improvement to the next meeting. This idea should be submitted in writing.

Mrs. Vivian McKinstry, chairman of the Home Life Department, will have charge of the program for the social meeting on October 26.

Hostesses for that date are Mrs. Gethie Friend, Mrs. Marjorie Mock, Mrs. Ada Bush, Mrs. Louise Meeks and Mrs. Hilda Wilkinson.

Kelsoe-Ingram plan to wed in spring

Miss Kelsoe

A spring wedding is being planned for Christine Kelsoe and Frank "Buddy" Ingram, both of Clewiston. Miss Kelsoe is the daughter of Mr. and Mrs. Lewis Kelsoe of 205 East Esperanza. Ingram is the son of Mr. and Mrs. Byron Ingram of Flaghale Road.

The bride-elect attended the Christian Day School in Belle Glade. She is now employed at the Hollingsworth Shoe Store in Clewiston.

The groom-elect attended Clewiston High School and is now employed by Buck Cobb Trucking in South Bay.

The March 18, 1978 wedding will take place at the First Baptist Church in Clewiston.

Energy bill is no good, local Rotarians are told

BELLE GLADE - The message delivered to the Belle Glade Rotarians Tuesday was very clear...the present energy bill before the Senate is "no energy bill at all."

Dale Stapp, local manager of the Florida Power and Light office, showed a film in which the bill was discussed and the upshot of the film was that the bill may produce billions in taxes, money to use for welfare, cause a recession, and create a bigger bureaucracy but in won't meet the nation's needs on energy.

"Basically," said the film, "the bill is a conservation bill." But this won't make it easier to find and produce more energy to meet the country's needs.

It is also an anti-Florida bill in that more of Florida's electricity is produced from oil. The bill

contains a tax incentive to switch to coal for fuel, but since Florida is not near coal-producing regions, the tax power companies could not make the switch in time to take advantage of the incentive. Therefore, said the film, Florida with 4% of the nation's population will be paying 10% of the nation's tax because it will be unable to make the change.

Instead of the present bill, said the film, the nation needs one with strong incentives built in to produce more energy.

Stapp provided the Rotarians with the names and addresses of key Senators and asked them to write and ask the Senators to look closely at the bill before allowing its passage.

He said one of the most destructive portions has already been "watered down." This portion would have placed all control of electricity companies away from the state and placed it in Washington.

Stapp also handed out booklets telling the Rotarians how they can conserve energy by proper insulation and how much electricity each appliance in their homes uses.

In other Rotary business, Larry Tucker was inducted into the club by Fred Simmons, bringing the total membership up to 54. Tucker was sponsored by Fritz Stein.

Program chairman Larry Fowler asked several of the new members to give a short talk to introduce themselves. Those giving the talk included Buddy Sizemore, John Pitts, Dennis Wedgworth, Harold Roland, and Biff Lampton.

Mental Health meeting today

BELLE GLADE - The monthly meeting of the Glades Steering Committee of the Community Mental Health Center of Palm Beach County will be held at 12:15 p.m. today at the Glades Branch at 300 West Canal St. South.

DORINDA SHUTTS, PRESIDENT, Linda Parrish, Louise Culpepper, Davene Bailey and Carol Zumpf, Ways and Means

chairman display some items for sale at the Mu Upsilon's bazaar to be held Saturday Nov. 5, at Jamison Hall in Belle Glade.

Grace Jernigan Circle has meeting

PAHOKEE - The Grace Jernigan Circle of the First Baptist Church in Pahokee met Tuesday night in the home of Mary Hammond.

Dorothy Fletcher began a presentation on the Royal Service Program with a talk on the "Baptist Secular Europe." Dee Maxon told about the work in Belgium, Tommie Lee Duhose the work in Paris, Mary Hammond gave an outline of Bill Wagner's work in Germany and Evie Humphrey gave an outline of the Southern Baptist work in the United States. The Prayer Calendar for missionaries and their families in other countries was given by Grace Graham.

An offering for the Baptist Children's Home in Lakeland was taken up by the members of the circle.

Scrumptious homemade ice cream and pound cake was served to twelve members. The next meeting will be held on November 3th, with Grace Graham.

Abdominal Pain in Children

Abdominal conditions of some urgency in children are most usually found in the lower part of the abdomen. Appendicitis is characterized by pain in the lower right side and pain on either side can be an obstruction due to one part of the bowel lapping over another. With an obstruction there is usually blood and mucus in the stool.

It is not safe to assume that an abdominal pain is due to a virus just because you have heard a virus is "going around." Often a suspected stomach virus can turn out to be appendicitis.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Junior Women to assist in fundraising

BELLE GLADE - The newly formed Glades Area Association of Retarded Citizens (ARC) was the program presented to members of the Belle Glade Junior Woman's Club and guests at the club's Oct. 11 meeting.

Miss Tricia Graves, program developer for the local ARC pre-school facility, explained the various types of services and activities for retarded people that could be initiated here in the Glades in addition to the pre-school.

Members were shown a short film about the ARC's recreational programs, and Miss Graves indicated she believed the need for organized activities for retarded young people and adults here is great.

Miss Graves told the Juniors the present state grant of money for operation of the ARC pre-school here is for one year only, and at the end of that time local people will need to be able to assume more of the financial cost of running the pre-school. She stressed that the pre-school serves those from all economic levels in the Glades.

(Mrs. Sandra Chamblée reported to members that the club has again received recognition from the Palm Beach County Unit of the American Cancer Society for sponsoring the mailed Cancer Crusade solicitations. She noted that donations for this project totaled \$1,908.80, almost \$100 more than the Juniors raised for the Cancer Crusade during last year's campaign.)

Education Department Chairman Mrs. Suzanne Munter announced that the Club will be presenting a children's book to the Belle Glade Municipal Library during National Library Week early in November. Since that is also the week slated for honoring teachers around the nation, club members made plans to take cookies to teachers at all schools attended by member's children on Nov. 2.

Mental Retardation Chairman Mrs. Chamblée gave members "donation cans" to put in public

places. The cans will collect monies to be used toward paying costs for the Special Olympics state games for retarded children.

Final plans for a fund-raising "Flea Market" were outlined by project chairman Mrs. Sherry Throop. The Flea Market is to be held at the Belle Glade Civic Center, from 8 a.m. to 2 p.m. on Saturday.

Items for sale will include "a little bit of everything," according to Mrs. Throop. Her inventory list for the Flea Market included a bassinett, baby crib and mattress in excellent shape, an almost new inboard, a tricycle, and new handmade items donated by members as well as a bake sale, to mention only a few.

Hosting the meeting, which was held at her home, was Mrs. Chamblée, along with Mrs. Sandy Boots as co-hostess.

Members present included Mrs. Gina Farley, president; Mrs. Diane Corbin, Mrs. Carol Lamb, Mrs. Munter, Nancy Lovell, Mrs. Cindy Baez, Mrs. Charida Sizemore, Mrs. Throop, Mrs. Chamblée and Mrs. Boots.

Mrs. June Mowen, Woman's Club sponsor was welcomed back from her summer away.

Guests welcomed to the meeting were Mrs. Jenny Lynn Threlkeld, Mrs. Janice Meeks, Mrs. Lynn Van Kaneghan, and Miss Graves.

Mr. and Mrs. Theron W. Casselman of Franklin, Louisiana, formerly of Belle Glade, announced this week the engagement of their daughter, Sydney Elizabeth, to Daniel E. Vander Schuur, son of Mr. and Mrs., Ronald E. Vander Schuur, of Falls Church, Va. The wedding is to take place at 2 p.m. Nov. 26 in the Temple Terrace Presbyterian Church in Temple Terrace, with a reception to follow in the Church Fellowship Hall. The future bride and groom are both students in the College of Engineering at the University of South Florida in Tampa.

Belle Glade woman represents UF

SPECIAL TO THE HERALD

By Shirley Durham
GAINESVILLE—A Belle Glade girl represented the University of Florida at the 1977 Southeast/Mid-South Public Relations Society of America District Conference in Knoxville, Tenn., Sept. 29-30.

Arlene Brooker, one of nine students and three faculty members to represent the university at the conference.

The theme of the conference was "America Looks South." Brooker, along with the club members of the Public Relations Student Society of America (PRSSA) were given professional views of the role of "Public

Relations in an Energetic South." Sessions at the conference included defining the issues affecting Public Relations in the south, exploring their impact on the organization and determining actions that can be taken in years ahead.

Speakers at the conference were Joseph Fromm, deputy editor, U.S. News and World Report; Roy Bain, editor, The South Magazine also known as the Journal of Southern Business; and Frank Wylie, director of Public Relations at the Chrysler Corporation.

Mrs. Brooker considers attending the conference an invaluable

experience. "I received some helpful information on how to prepare myself for graduating and assuming my role as a professional Public Relations Practitioner," said Brooker.

A senior Public Relations major, she is the daughter of Dr. and Mrs. Herbert C. Lloyd of Clewiston and a graduate of Palm Beach Jr. College.

Her husband, Ronald Brooker, also of Belle Glade, is attending Santa Fe Community College in Gainesville where they live with their two sons.

Brooker is presently serving as commissioner and corresponding secretary of the housing area where she lives.

She plans to graduate the university this summer and enroll as a graduate student in Business Administration.

Garden Study Club sees show on cactus

BELLE GLADE - The Garden Study Club of Belle Glade met Friday morning at the home of Mrs. Horace Harris, who was the hostess. Assisting Mrs. Harris was Mrs. Marie Bregger.

Mrs. Bobby Steele, president, opened the meeting by asking Mrs. Marlan Chapman, program chairman to introduce the speaker Gerald Swan.

Mr. Swan, of the Palm Beach County Agricultural Extension Service, gave a program showing slides on cacti that grow in this area. Many of the slides were from local nurseries and gardens.

Following the program Mrs. Steele conducted the business meeting. Secretary Mrs. George Suttle read the minutes of the last meeting and roll call was answered by 15 members.

Mrs. Ruby Jones and Mrs. Steele attended the Pahokee Garden Club Potluck Supper recently and reported a delightful evening hosted by the Canal Point Club. Also read was an invitation from the Clewiston Garden Club to attend an anniversary tea to celebrate their 40th anniversary in Florida Federation of Garden Clubs, which will be held at the Clewiston Methodist Church, Nov. 17 at 3 p.m.

Mrs. Chapman announced plans for a field trip to Hartmans

Nursery at Fish Eating Creek on Nov. 11. Club members and guests are to meet at Mrs. Karl Larsen's home for business meeting and depart at 10:30 a.m. Awards chairman Mrs. Robert Creech announced garberia specimen winners. Mrs. Guy Wood first and Mrs. Doug Thompson second.

Triangle arrangement awards were Mrs. George Suttle, first, and Mrs. Ruby Jones, second.

Other members attending were Mrs. Charles Trammel, Mrs. Carl Lockmiller, Mrs. James Ball, Mrs. Ruth Wedgworth, and Mrs. Karl Larsen.

Dr. Orsenigo will speak

The Lake Okechobee Audubon Society will open its new series of meetings with a talk by Dr. Joseph R. Orsenigo at 8 p.m. on Thursday, Oct. 27 at the First United Methodist Church in Clewiston.

Dr. Orsenigo has planned an interesting evening with slides and artifacts to illustrate his talk on "The Chosen Indian Mound."

Plan to attend. Anyone who may be interested is welcome.

Home accessories program is slated

CANAL POINT—A workshop designed to show what can be done with sheets to decorate the home will be presented at 10 a.m. Nov. 16 at the Canal Point Community Center by the Florida Cooperative Extensions Service Palm Beach County Extension Home Economics Agent Arlen C. Jones.

Mrs. Jones said the workshop, entitled "Accessories for the home," will be led by Alicia M. Hornrich and will be given in a total of four places in the county.

"Sheets are fairly inexpensive," Mrs. Jones said. "Come in an

unlimited range of prints, colors and designs today, and are available in a variety of widths."

She said the program will include ideas for all rooms of the house and demonstrations and exhibits will be conducted during the program, as well as a short time for exchanging ideas.

"This will include great gift ideas for the upcoming holiday season," she said, "as well as 'house dressing up' ideas."

Ball benefits heart attack victim

BELLE GLADE—Members of the Glades CE Club, Inc., will hold a Halloween costume or casual dress dance at 7 p.m. Oct. 29 in Post #20, American Legion.

Publicity Director Dee Barnett said live music will be provided by the Delta Blue Boys and there will be a dance contest and prizes for the most original costume.

"Witches brew" will be available and Mrs. Barnett said tickets will cost \$5 per couple and \$3 for singles.

She said the dance is being held for the benefit of a club member, Charles "Duff" Logan of Pahokee, who recently suffered several heart attacks.

Merchants offer paint discounts

BELLE GLADE—Three merchants in the city are offering discounts on paint and cleanup materials for those residents who intend to take part in the city's Second Annual Cleanup Week from Nov. 1 through 10.

Janean Gilbert of the Belle Glade Beautification Committee, which is coordinating efforts in the annual clean-up, fix-up effort said the merchants participating in the effort are Connell's Hardware at 256 S.W. Ave. B, Cone's Paint Store at 1 W. Ave. A and Lake Hardware and Farm Supply at 219 N. Main St.

While this is only the second annual cleanup week, the Beautification Committee sponsored for some time a Clean-Up, Fix-Up Day, which was extended to a week last year to give more residents a chance to take part.

During the week, city residents are encouraged to clean up their own property and take on other assignments from the Beautification Committee. Civic and fraternal clubs and groups as well as local schools, are encouraged to take on a volunteer assignment as a community project.

Those who wish to get involved but who aren't sure how to go about it, are urged by Committee members to contact the Chamber of Commerce at 996-2745 or the Municipal Library at 996-3453 to sign up as a group or individual.

PAINT DISCOUNT for CLEAN-UP WEEK (Nov. 1-10)

Connell's Hardware [with coupon] 15% off
Cone's Paint Store 20% off
Lake Hardware 20% off

IN RE: ESTATE OF LAURA BOREE, Deceased

NOTICE OF ADMINISTRATION
TO ALL PERSONS HAVING CLAIMS OR DEMANDS AGAINST THE ABOVE ESTATE AND ALL OTHER PERSONS INTERESTED IN THE ESTATE:

YOU ARE HEREBY NOTIFIED that the personal representative of the estate of Laura Boree, deceased, File Number 77-1858-CP-06, is pending in the Circuit Court for Palm Beach County, Florida, Probate Division, the address of which is 300 North Dixie Highway, West Palm Beach, Florida.

The personal representative of the estate of Laura Boree, deceased, is 616 S.E. 3rd Street, Belle Glade. The name and address of the personal representative's attorney are set forth below.

All persons having claims or demands against the estate are required, WITHIN THREE MONTHS FROM THE DATE OF THE FIRST PUBLICATION OF THIS NOTICE, to file with the clerk of the above court a written statement of any claim or demand they may have. Each claim must be in writing and must indicate the basis for the claim, the name and address of the creditor or his agent or attorney, and the amount claimed. If the claim is not yet due, the date when it will become due shall be stated. If the claim is contingent or unliquidated, the nature of the uncertainty shall be stated. If the claim is secured, the security shall be described. The claimant shall deliver sufficient copies of the claim to the clerk to enable the clerk to mail one copy to each personal representative.

All persons interested in the estate to whom a copy of the Notice of Administration has been mailed are required, WITHIN THREE MONTHS FROM THE DATE OF THE FIRST PUBLICATION OF THIS NOTICE, to file any objections they may have that challenge the validity of the decedent's will, the qualifications of the personal representative, or the venue or jurisdiction of the court.

ALL CLAIMS, DEMANDS AND OBJECTIONS NOT SO FILED WILL BE FOREVER BARRED.
Date of first publication of this Notice of Administration: October 13, 1977.

Pahokee, FL 33476

In Wedgworth break-in

Burglar gets alarm

BELLE GLADE - A burglar who broke into Wedgworth's Packing House at 901 N.E. Ave. G. before dawn Saturday added insult to injury when he stole one tire from a stack of five then took the burglar alarm off the wall and walked out with it...leaving the alarm at the Belle Glade Police Department ringing to aggravate officers until a new alarm could be installed hours later.

Roy Whitehurst, who was summoned to the scene by Sgt. Johnny Youngblood, said the first thing he noticed missing was the tire.

"Then Johnny asked me to turn off the alarm because he said it was bugging the guys down at the police station. I took out my key and walked up to where the unit had been on the wall and it wasn't till then I noticed it was gone."

Whitehurst said that after staring at the blank spot on the wall, he turned to Youngblood and told him, "I can't turn it off. It's gone." He said the alarm at the station continued to sound until after 9 a.m., when a repairman was able to install a new unit.

The Wedgworth employee said there have been numerous break-ins at the shop in recent months and this was the third alarm to be stolen in something just over a year, although the first two burglar alarms to be stolen were taken from the packing house office.

Whitehurst said the alarm,

designed to be triggered by detecting motion in the vicinity, hadn't been completely installed. At the time of the burglary and a man from West Palm Beach had been scheduled to come out Saturday to wire other doors to the packing house.

He said he called the man and told him to bring another unit with him. Whitehurst said the

installer told him this was the 15th unit he was aware of which had been stolen.

Whitehurst said one possible explanation for the alarm theft, besides the obvious one that the burglar may have intended to return, is that the unit bears a strong resemblance to a movie camera, although it doesn't move.

Recreation area contract is let

BELLE GLADE - A major step was taken last week to expand the Belle Glade Recreation Area on Torry Island when the governing board of the South Florida Water Management District (WMD) approved a contract in the amount of \$1.33 million for earthwork which will raise some 25 acres of the park to an elevation 21 feet above sea level.

The contract was awarded to Gold Coast Construction, Inc. of Orlando. WMD first sought bids on the contract in August but rejected all bids because they were determined to be too high.

The new low bid came in some \$615,000 less the first bid. The contractor will have from 14 to 18 months to complete the job.

This is just the first phase for the park that, when completed, will cover an area in excess of 70 acres of usable park land. Fill material will be secured from an area west of the development which will become a 35 acre lake available for fishing and small sailing.

There has been some work already begun, however, at the Belle Glade Marina area where Richmond Company has installed a sewer main, with connections to 44 individual camping lots, to some comfort stations and a lift station.

The Richmond contract also involved work which will connect the park to the Belle Glade Wastewater Treatment Plant about two miles away. This work in nearing completion and is expected to be operable within eight weeks.

When the fill for the new contract is in place, the District will install a boat ramp, pavilion and comfort stations. When the

new section opens, work will start on raising the elevation of the present park. In this way, it will be possible to keep the park open all through the construction phases.

When completed, the park will have 300 additional campsites, two multi-lane boat launching ramps, a new pavilion which will include a kitchen and meeting room, several fish cleaning stations, new comfort stations, an arts and crafts center, a boat dock, picnic shelters and a paved parking area.

The park and recreation area will be leased to the City of Belle Glade, which will operate and maintain it, for a dollar a year in exchange for a free and clear title to it which will allow the WMD to raise the level of Lake Okeechobee.

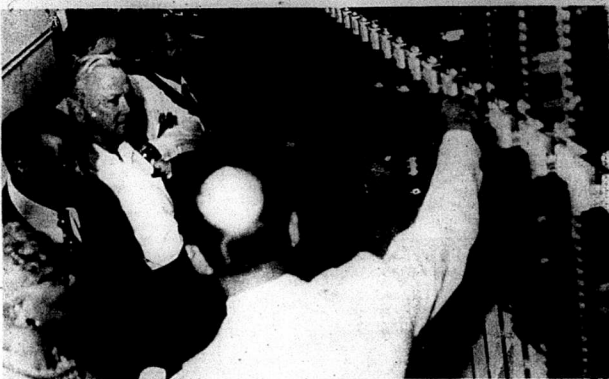

Voter cards are being sent out

Supervisor of Elections, Jackie Winchster, announced that on October 19, Voter Registration Renewal Cards were mailed to the 23,853 registered voters in Palm Beach County who have not voted in any election during the past two years. These voters must sign the Renewal Card and return it within 30 days of the postmark on the card.

If the card is not returned, the Florida Statutes require that the voter's name be removed from the Registration Books. Those who do receive the Voter Registration Renewal Cards are urged to sign and return the card right away so that they will remain registered voters and be ready to vote in all future elections.

Many people who have moved from the address listed on the Registration Records without informing the Elections Office will not receive this mailing. Those voters who have not voted during the past two years and do not receive a card should call the Supervisor of Elections Office, 837-2650, to check the status of their registration.

Any registered voters who changes his residence address should notify the Supervisor of Elections by filling in the new address on the back of his Voter Registration Card and mailing it to the Supervisor of Elections, 810 Datura Street, West Palm Beach, 33401.

MA BELL'S OPEN HOUSE was highlighted for a number of Belle Glade residents Tuesday afternoon at Southern Bell's two-year old Electronic Switching System center on Southwest First Street when ESS

foreman Robert Cumpton (back to camera) explained various parts of the automatic operation. Listening to Cumpton were Mr. and Mrs. W. C. Taylor, John Causey, John Turnbull and Wayne Mikell. Staff Photo

Royals are building Burger King in Clewiston

CLEWISTON - Burger King Corporation, the second largest hamburger fast food company has announced its newest South Florida franchisee is Mike Royal of Belle Glade. Construction began Tuesday on the newest South Florida Burger King, located on the east end of Sugarland Plaza here.

A December grand opening is planned by Royal. It will employ approximately 30 full and part time workers, many of whom will be local high school students.

Burger King restaurants differ from other fast food hamburger restaurants because of their garnished-to-order assembly system. The Clewiston Burger King will have a drive-through window to accommodate customers who don't wish to leave their automobiles.

Burger King Corporation is a 1800 restaurants in the United States, Canada, Puerto Rico, Pillsbury Company with almost Europe and the Bahamas.

HIGH FLYING MICHAEL RUSSELL grabs for a Pace pass and misses but Joe Byrd got a hand on the ball in a defensive effort during Friday's pasting of the Spartans while Preston Vickers watches. Staff Photo

Raiders demolish Pace for homecoming victory

BELLE GLADE—The Glades Central Raiders followed a three-touchdown blitz of David Robinson Friday night to score early, sudden and often for a 54-19 shellacking of Miami Pace and a reason for a real victory celebration.

Quarterback David Jones piloted the Raiders to six touchdowns in the first half with a precise execution that broke the Spartans' backs in a merciless 41-0 wallop in the first two periods of play, then the Raiders relaxed in the second half, adding two more TDs while giving up 19 points to the hapless Miami team.

The excitement started early when, after the Raiders won the coin toss for their fourth consecutive game this year, Joseph Byrd picked off the opening kickoff on his own two and scampered to the Pace 26 before being hauled down from behind.

First blood wasn't to come that easily, however and the ball went over on downs four plays later when two passes and two runs advanced the Raiders only to the Pace 19.

The Raiders took possession of the ball again four plays later when the Spartans punted to their own 47, setting up the first scoring drive.

The die was cast when Jones passed to Robinson on the Pace 35 and a first down, Robinson ran the ball to the 13, a penalty drove the ball back to the Pace 44, Jones connected with Robinson again on the 27, Robinson carried again to the 20 for another first down, Jones found Ollie Sheppard on the 13, Sylvester Knowles bulled to the five for another first down and Robinson carried the ball into the end zone from five yard out, going in standing up and doing a victory jig on paydirt with 5:58 remaining in the first period.

The PAT was no good but the Raiders scored again 26 seconds of play later when Preston Vickers

picked up a fumble on the Spartans' first play from scrimmage after the kickoff and galloped into the end zone from 16 yards out. The PAT was good that time and the Raiders led, 13-0 with 5:32 remaining.

The Miamians almost scored on the following play when Glenn Nash picked up the kickoff on the Pace 20 and sprinted to the Raider (Continued on Page 2)

RAIDER JUNIOR QUEEN Linda Anderson and her escort, Rodney Bickle, show off the trophy the junior class won for having the best float in the homecoming parade. The juniors also won first place in competition for the pep rally skits. Staff Photo

Blue Devils outdistance Curley Saturday 39-13

MIAMI BEACH—The Pahokee Blue Devils displayed the power they have been noted for Saturday night, smoldering what fire the Knights could ignite with a 39-13 victory over Miami Archbishop Curley.

Interspersed with penalties against both teams throughout the game, the Devils kept a steady driving pace. Pahokee's first break in the game came early when a Pahokee punt was fumbled by Miami and recovered by the Devils on the Miami nine yard line.

It didn't take long for the Blue Devils to score, capping off a first down gain by several handoffs from quarterback Nathaniel Hannah to Lawrence Williams, Michael Boldin and Stafford

Everett. From the one yard line, Boldin made the score. The extra point was no good, putting the score at 6-0. That was the only scoring in the first quarter. With the second quarter staring up, the Knights moved steadily downfield, culminating in their

first touchdown with a 30 yard pass. The extra point was blocked by Pahokee's Charles Hager, making it a 6-6 tie game.

Miami soon came back with an interception but couldn't hold on to it for long, being forced to punt. (Continued on Page 7)

Sports

"Key game" of season

Gators win homecoming

BELLE GLADE—The Glades Day Gators celebrated their annual homecoming festivities in style Friday night, whipping fourth-ranked Gold Coast Christian 33-2.

It was the second time this season the Gators have played the role of spoiler in a ranked Class A team. Earlier in the season, they whipped St. Petersburg Northside, ranked 12th, by a score of 14-0.

The victory Friday night leaves the Gators undefeated in district play with only two more games to go. In effect, they are the district champs of the moment, every other team having suffered at least one district defeat.

The two district games remain against Westminister and Moore Haven. Kings Academy who was defeated by Glades Day, easily beat Westminister and Moore Haven fell to Gold Coast.

The second series of the game found the Gators in Gold Coast territory with a fourth and long yardage situation. The play called was a fake punt that worked beautifully. Center Howard Ayres took the fake and passed to quarterback Tommy Duda, setting the home team up on the 20 and giving them a first down.

From there, Duda guided the Gators down to the nine and gave the ball to Steve Richie, who carried it to paydirt, Kenny Buckner, under rushing pressure, missed the extra

point and the Gators went ahead 6-0.

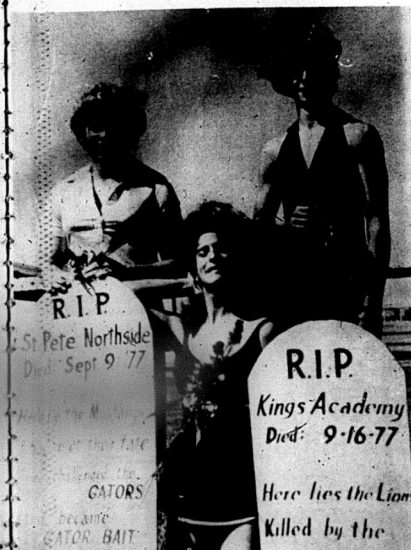

In the third quarter, Richie fumbled a pitchout in the end zone and fell on it for a safety. "Steve used his head," said Coach Byron Walker. "If he had tried to pick it up and run, they might have gained a touchdown on us."

Before the halftime, the Gators got their second touchdown of the game when Winston Byrd went to work in earnest. The drive began on the 15 and moved down the 14 with Byrd gaining 60 yards before going over to bring the score up to 20-0. Again, Buckner's attempt at the point after was no good when Gold Coast broke through to put pressure on him.

Halftime saw the annual crowning of the queen, Miss Denise Hooker, daughter of Mr. and Mrs. Robert Hooker of Belle Glade. A surprise during the homecoming was the crowning of a second homecoming queen, Glades Day Headmistress Miriam Burgess.

The homecoming court, which included Miss Sherri Niesen, daughter of Mr. and Mrs. Eddie Vertommen, and Miss Donia Adams, daughter of Judge and Mrs. Don Adams, was escorted by members of the football team.

Miss Hooker was crowned by Gator quarterback Tommy Duda and Mrs. Burgess by Glades Day (Continued on page 6)

WINNERS IN THE GLADES DAY "Boy's Beauty Contest" Friday were Kenny (Swinging) Strickland, first runner up; Charlie (Charlotte) Echave, beauty queen; and Charles (Charlotte) Schiele. Staff Photo

THE GLADES DAY HOMECOMING COURT honored at festivities Friday night included, bottom row, left to right, Donia Adams, Homecoming Queen Denise Hooker, Honorary Homecoming Queen and headmistress of the school Mrs. Miriam Burgess and Sherri Niesen. The court was escorted by Francisco Ramos, Tommy Duda, principal Ed Van Dwyne, and Kenny Buckner. Staff Photo

Raiders beat Miami Pace—

(Continued from page 1)

14 yard line before he was run out of bounds. On first and ten, the Spartans carried the ball to the Raider 15 but a field goal attempt two plays later from the Glades Central 17 was low and the Raiders took over on their own 20 to begin an 80 yard, nine play scoring drive.

The drive almost got off to a disastrous start when Terry Hammon slipped on the dewey turf for a four yard loss but Jones connected with Ollie Sheppard on a 26-yard pass completion on the next play for a first down. Knowles broke free to the Pace 30. West carried to the 15, Knowles carried again to the 10, Robinson made it to the three. West and Knowles alternated to within inches of the goal and West finally powered over to paydirt. The point-after was good and the Raiders had scored their third TD in less than five and a half minutes to lead at the end of their first quarter, 20-0.

Scoring in the second quarter started early when Tim Ingram recovered a Pace fumble two plays after the kickoff on the Spartans' 26, setting up another short drive.

Robinson carried the ball to the 19. West took it to the 10. Jones kept the ball and ran to the six and, after a broken pass play from Jones to Sheppard, Robinson carried to the one and Knowles slammed across to score. Joseph Byrd showed the fans another way to score when the snap from center on the PAT went wild by scooping it up and running into the end zone for a two point conversion and a 28-0 lead with 9:18 left in the second period.

Less than two minutes later, the Raiders scored in still another way, following a kick of the begun when Alan Johnson intercepted a pass from the Spartan quarterback on the Raider 45. A penalty set the ball back on the Glades Central 20 but a 78-yard bomb from Jones to Sheppard almost went all the way and another Jones-Sheppard combination two plays later carried the Raiders to paydirt for a 34-0 lead with 7:34 left in the half.

Another possible score was set up when Ingram recovered another fumble at the Pace 11 but his defensive play was nullified three plays later when Hammon fumbled the ball on the Pace 27 and Pace recovered.

The Raider defense wasn't about to be denied however, and three plays later, when two passes had failed, Raider defensive end Randy Burden picked off a

partially blocked pass in the Pace backfield and raced in to score the Raiders' sixth touchdown of the first half with 4:32 remaining, going into the lockerroom with a commanding 41-0 lead.

Head Raider Willie McDonald decided he'd give the reserves a chance to show what they could do in the second half and the rest of the game was basically a defensive one for the home team.

The first score came when Pace receiver Ari Lima snagged a pass in the Raider end zone. Two attempts at two-point conversions failed and the Raiders led, 41-6 with 3:38 remaining in the third quarter.

The Raiders stormed back from that score in an 89 yard, seven play drive sparked by a 51-yard pass from Jones to Robinson, which left Jones dazed on the field.

Edgar Arnett stepping in and generated the other six plays of the drive from the Pace 35 with a run to the 33, another by Knowles to the 29, another by Willie Williams to the 20, one by Robinson to the ten and more each by Williams and Robinson to the 11 after a six yard loss and a pass from Arnett to Robinson for Robinson's second TD to give the Raiders a 47-6 edge with 10:45 remaining in the final quarter.

Pace scored twice more in the fourth quarter before the Raiders took over on the 50 for their final scoring drive of the night. Back at quarterback, Jones handed off to Robinson for a gain to the 45, Robinson carried again for no gain and again for four yard before fullback Obie Johnson hammered his way to the Pace 41 and again to the Miami 34 and a first down. Williams carried to the 22 before losing yardage back to the 26. Robinson carried the final two plays of the drive, from the 26 to the 13 and again into paydirt. The try for extra point was good and the Raiders posted the final score of 54-19.

Coach McDonald's troops posted their most impressive offensive statistics this season when they rushed for 201 yards to Pace's 55 and David Jones passed for 131 yards compared to Pace's 69.

Turnovers were a major factor in the lopsided score, however as Pace had two passes intercepted and lost six fumbles compared to no interceptions thrown by the Raider quarterbacks and only one fumble lost.

Robinson was the offensive player of the game, rushing 16 times for 112 yards, receiving three passes for another 78 yards and scoring three TDs.

Sylvester Knowles ran nine times for 55 yards and one touchdown and kicked one extra

point. Ollie Sheppard snagged three passes for 34 yards and a touchdown.

Defensively, Don Andrews racked up nine tackles and four assists while Anthony Jones made seven and 13 and recovered a fumble. Michael Staples, besides kicking a punt for 27 yards, made five tackles and three assists.

Preston Vickers made five and three, also, and recovered a fumble and carried 16 yards for the Raiders' second touchdown.

Randy Burden made five tackles and five assists and picked off a pass to scamper 27 yards for a six-pointer. Joseph Byrd made five tackles and two assists, snagged an interception and carried hte ball into the end zone for a two point conversion.

Allen Johnson made five tackles and no assist, along with an interception and Eric Beckford made five tackles and two assists.

The Raiders play again at home this week when they kick off at 8 p.m. Friday against Boca Raton.

THE QUEEN AND HER COURT represented the Glades Central Student Council during the Homecoming parade.

Halloween carnival set

BELLE GLADE - Christian Day School will hold its annual Halloween Carnival on October 27 at the Christian Day School playground. The parade begins at 5 p.m. on NW Avenue B.

The carnival itself begins at 6 p.m. with a chili supper. The booths will also open at 6 p.m.

The parade will be judged according to age groups, with prizes given for first place only. Prizes will be given for Most Halloween costume, the Most Original costume and the Prettiest costume.

Besides chili, there will also be hamburgers, snowcones, candy and popcorn, candied apples, French fries and corn-on-the-cob for sale.

The different booths and games include: Picked up ducks, the bean bag toss, the fish pond, the bazaar and crafts booth, a hayride, a bake sale, an apple bob, dart boards, a basketball and football toss, the dunkin' booth, the country store, the knocking bottles down booth, and the haystack.

At 8 p.m., a 30-minute movie will be shown, along with three cartoons. The movie will be "Story of Frankenstein."

A good turnout is expected and everyone is invited to join in. This is an annual fund-raising event, and the people at Christian Day School hope it will be as successful as it will be fun.

Michelangelo carved his famous statue of David from a marble block on which another sculptor had started work.

DAYS INN

U.S. 27 South Bay 996-6517

THE WINNING GLADES DAY homecoming float was this one constructed by the junior class with the slogan "We've Only Just

Be'gun". The score predicted by the class on the float was remarkably close to the final outcome of the game, 33-2. Staff Photo

Gator Homecoming—

(Continued from page 1)

principal Ed Van Duyn.

The band performed several outstanding formations during the ceremony, including a light baton drill by the majorettes.

When the Gators came out in the second half, they were as fired up as they were in the first and quickly showed Gold Coast how the game was played.

The Gators kicked off and soon, Gold Coast punted back to them, setting off another drive and culminated on the 15, where Byrd again took the ball for his second touchdown of the night. Buckner's extra point was good and the Gators were ahead 19-2.

Two other Gator touchdowns were added in the fourth period, both "passing drives" engineered by the Duda quarterbacks, Tommy and Sam.

Tommy's drive was first and ended when he tossed a 19-yarder to Dick Crockett for the score. Buckner's extra point was good and the score was 26-2.

Then Sam moved in to take over his brother's quarterbacking chores and drove down to the four, where he passed to John Scruggs for the final touchdown of the game. Mark Foster tacked on the extra point.

"It was another good defensive game," Coach Walker said. He didn't have to say it was a good offensive game as well. The score said that much.

Walker noted that Gold Coast was a passing team and in the first half, attempted, 13 passes. Two were intercepted, one by Tim Burke and the other by Steve Richie. Only four were completed for less than 20 yards and all the others were incomplete.

"Our secondary shut their passing game down," said Walker. So they tried something different, running up the middle. "They hurt us there," he said. But only for a couple of plays before the defensive line wised up to the tactics and shut down that strategy as well.

The offensive star of the game was Winston Byrd, who carried 15 times for 124 yards and two touchdowns. Contesting Byrd for the honors, however, were Steve Richie and Elmer Miller, both of whom did "good, effective jobs" and Quicke Echave, newly back from the injury list.

Echave carried two punt returns for long yardage, almost scoring both times before being brought down inside the 20, but both were called back on penalties. He was also a standout as safety and carried some on offense.

"Quicke will be a dominate factor in future games if we can keep him healthy," said Walker. Echave has been out since the opener with injuries to his shoulder.

Howard Ayres is an unlikely offensive standout from his position at center, but his pass to Duda that set up the first Gator touchdown placed him in that category.

"Maybe we've got him in the wrong place," said assistant coach Tony Rodriguez, "but he's too valuable as center to move."

Indeed, Ayres is described by Walker as the top Gator "utility man." "He does everything well." In addition to the fake punt that was really a pass, Ayres ran 35 yards for another first down in another fake punt situation.

Walker also singled out the special teams for doing a good job. Two long gains pointed out how good that job was.

On defense, the secondary was singled out for special praise and the defensive line's virtues were extolled. "The line did the job of containing Gold Coast's quarterback, keeping him in the pocket," said Walker. "The secondary took over from there."

Statistically, the Gator's complete domination of the game is born out. Glades Day had 15 first downs compared to Gold Coast's seven, 315 yards total rushing to 92, punted three times to five, and lost no fumbles. Gold Coast lost three. Both teams were penalized 50 yards.

In dividing up the yardage gained, Glades Day gained 248 on the ground and 67 in the air. Gold Coast got 50 on the ground and 42 in the air.

This week, the Gators take on one of the two AA teams on their schedule. John Carroll has a 5-1 record and runs basically the same kind of offense and defense as the Gators, making a few minor modifications.

"They've got a good full back and their halfbacks are very quick," said Walker. "They are also very physical and I'd compare them in the respect to any team we play this year."

Last year, John Carroll defeated the Gators 21-0, but Walker noted, "we gave them two touchdowns."

The only common foe both teams

Radio football

BELLE GLADE—The football schedule announced for broadcast this week by WSWN Radio includes two local high schools, one collegiate and one professional games.

The broadcast weekend begins at 7:30 p.m. Friday with a live airing of the Glades Day-John Carroll game and continues at 9:30 a.m. Saturday with the delayed broadcast of the Clewiston-Avon Park game. Both will be on FM only.

The gridiron play will resume at 1:45 p.m. Saturday with the live broadcast, on AM and FM, when the University of Florida Gators tangle with the Tennessee Volunteers in a Southeastern Conference battle.

On Sunday, the Miami Dolphins take on the Seattle Seahawks in an FM broadcast at 12:45 p.m.

Carry-haul cars are financed at Florida National.

Blue Devils beat Curley—

(Continued from Page 1)

After successive handoffs to Williams and one to Boldin, Williams slipped through the middle of the line, scoring Pahokee's second touchdown. Hannah pass to Everett. A blocked, leaving the score at 12-6 with 5:42 left in the first half.

Hannah then got in on the defensive action with an interception and an eight-yard run. Everett picked up 12 yards before Hannah's 28 yard pass to Ned Baldwin gave the Devils another touchdown. Hannah's pass to Vince Bush for two extra points was incomplete, so the Devils led 18-6.

With one interception each for Pahokee and Miami Pahokee's by Douglas Thompson and three penalties against Pahokee, the goal line on a pass play. The extra point was good. Miami racking up seven more points and an 18-13 lead behind Pahokee.

Leading to the Devil's fourth touchdown, Everett took the ball to the goal line, but a flag on the play sent Pahokee back to the Miami 28. On the third down play, Everett reached the one yard line where on the next play Williams took in on the cross for the touchdown. Joseph Brown's extra point kick gave the Devils a 25-13 lead.

The Blue Devils had their share

of fumbles, three early in the fourth quarter, all recovered by Devil men. Pahokee benefited from a Miami Curley penalty on a fourth down Vince Bush punt to the Knights. Needing only two yards for the first down, the Devil game plan was altered and Pahokee went for it. But they got more than two yards, Williams sprinting through the middle for a surprising 37 yard touchdown run. A pitch out to Brown gave Pahokee two more points, and a 33-13 lead.

Thompson started the final Pahokee touchdown drive with an interception at the Miami 24. Boldin then strolled familiarly through the middle for a 13 yard gain to set up Hannah's pass to Bush for the touchdown. A two point conversion attempt failed, leaving the final score 39-13.

COACH'S CORNER

By Head Football Coach Antoine Russell
Saturday night's game against Miami Curley showed a great improvement for the Devils. Although Curley is a Class 3-A school, the Devils' improvement could not be judged by playing them.

The coaching staff was pleased with the team effort at both the offensive and defensive lines.

Many unknown players, along with the known players, beginning to make the Devils strong contenders once again. The unknown players that stood out in the game were: Michael Boldin, Arthur Williams, Ray Wells, Ned Baldwin, Douglas Thompson, Sylvester Kelley and Tim Rumph. Also, a big pat on the back needs to go to Tim Rumph, who took over as quarterback due to the injury of Ronnie Osborne in last week's game. Sophomore Nathaniel Hannah played both offense and defense and played a great game at both.

This week Pahokee will go back to fundamentals of blocking and tackling so that our improvement will have a better showing in Friday night's game against Jupiter.

PLAYER OF THE WEEK

Coach Russell has chosen Lawrence Williams, 5'11", 180 lb. senior as the player of the week. Williams was in on a lot of action Friday night, picking up 137 yards in 13 carries and scoring three touchdowns.

Johnson in Army program

U.S. FORCES, GERMANY—Second Lieutenant James Johnson, son of Samuel Johnson, 1820 N.M.E. Ave., Belle Glade, recently participated in an Army Training and Evaluation Program in Germany.

The program is designed to evaluate individual and unit efficiency under simulated combat conditions.

Lt. Johnson, a forward observer with the 5th Field Artillery in Hamm, Germany, entered the Army in August 1976.

Lt. Johnson received a B.S. degree in 1976 from Bishop College in Dallas, Tex., where he also received his commission through the Reserve Officers' Training Corps program.

His wife, Sarra, is with him in Germany.

BERNARD GARDNER

Hearing center in South Bay

SOUTH BAY—A one-day service center designed to benefit the hard of hearing in Belle Glade, South Bay, and Pahokee is being held on the third Friday of each month at Wallis Pharmacy and Luke Surgical Appliances in Royal's Mini-Plaza in South Bay.

The center begins at 10 a.m. and lasts until 2 p.m., according to H.S. Klein of Beltone Hearing Aid Center in North Palm Beach. Klein is the local authorized dealer for Beltone Electronics Corporation of Chicago, a world leader in hearing aids and electronic hearing test instruments.

The centers are being directed by Bernard W. Gardner, a Florida Licensed Hearing Aid Specialist.

Gardner is offering free electronic hearing tests and the centers themselves are conducted as a means of assisting local residents in obtaining convenient service on hearing aids.

"Along with your doctor," said Gardner, "you're hearing aid specialist is vital for your good hearing health." He noted that as a licensed specialist, he must continually upgrade his knowledge by attending hearing aid clinics, the last of which he attended this past weekend in Tampa, conducted by the Florida Hearing Aid Society.

The hearing tests are offered without cost or obligation, said Gardner, who added, "I urge anyone who believes he might have a hearing problem to attend one of our clinics for a free hearing test."

Christian Comments

A few days ago my little five year old son crawled up on my lap with a book and said "Daddy, read to me." The name of the book was "Children's letters to God." The stories were compiled by a man who had 30 years in the ministry.

I was amazed to find the pointy yet shallow concept that some children have of God. I believe this is derived from the failure of their parents to teach them the total concept of God and consequently they leave it up to the church to education their children.

By Bill Anderson
Pastor First Baptist Church
of South Bay

One of the letters was from a little boy named Benny who wrote, "Dear God, on our vacation we went to St. Peter's Cathedral. Gee, you sure have a pretty house. God, visit me sometime. My house is not as nice as yours, but I like it. Signed Benny."

While this was a child's attitude,

World Mission conference in Belle Glade

The World Missions Conference will be held at the First Baptist Church, Pahokee, Sunday, Oct. 23, through Wednesday, Oct. 26. Missionaries will speak each night at 7 p.m.

James D. Morrell will speak on Sunday morning. Leonard Hinton will preach Sunday evening.

Foreign Missionaries who really have a preaching ministry, will speak Monday through Wednesday nights.

Pastor Carl E. Storey was elected Moderator for the Baptist Association in Palm Beach County.

Pastor Storey is away leading a conference in Toccoa, Georgia this week.

Church of God in Pahokee hosts sing

PAHOKEE - On Saturday evening, Oct. 22, the Church of God in Pahokee will host a sing with the Lovett Brothers of Cairo, Georgia. The Lovett Brothers are well-known in this area and are noted for their inspirational harmony. Accompanying them will be their families, among which are included other talented singers.

The public is invited to attend this musical praise service. The Church of God in Pahokee is located at 185 So. Barfield Highway. The singing will begin at 7 p.m.

too often, people go to church with the same thought in mind. God is in God's house and I'll visit Him on Sunday. But leave me alone the rest of the week.

When man begins to realize that God created man with a mind to think with, arms and legs to work with, and a body to serve with, then man begins to understand the meaning or true nature of the Christian life, which is, God creating man in His image.

Understanding this fact of God creating us to be like him they will understand what Pa meant by saying "bodies are the temple of God" (Church of God). We need

to understand that God is not just in His house (church), but is the creator of the universe, and is omnipresent. Simply to say, God is everywhere.

For the Christian to find total dedication day by day he must realize that God is ever present and with him through life. Jesus says "Lo I am with you always." Matthew 28:20. For the lost, Jesus says, "Behold I stand at the door and knock, if any man opens unto me, I will come in..." Revelation 3:20.

God Bless You, Bill

Sculpture workshop

CANAL POINT - A "Soft Sculpture" workshop will be held Wednesday, Nov. 2 at the Canal Point Community Center, sponsored by the Cooperative Extension Service.

Mrs. Arlen C. Jones, Extension Home Economics Agent-Program Leader, describes soft sculpture as creative use of fabric, thread and stuffing. There will be demonstrations, samples and display. The workshop will continue from 10 a.m. until 1 p.m.

Gertrude Shirley Circle continues Bible studies

PAHOKEE - The Gertrude Shirley Circle of the First United Methodist Church, met Tuesday, Oct. 11 at the home of Mrs. Lillian Padgett.

The meeting was opened with a prayer by Mrs. Inez Reeves. The lesson, taken from Ecclesiastes, was given by Mrs. Vorhees, who also gave a short review of the book Terrors at Tenerife, suggesting members would find reading it

very interesting and helpful.

The business meeting was conducted by Mrs. Reeves. After adjournment, delicious refreshments were served by the hostesses, assisted by the co-hostesses, Mrs. Sara Vann, Mrs. Dan Carpenter presented the hostess with an arrangement of beautiful orchids.

The next meeting will be held November 8th, at the home of Mrs. Frances Whitwall.

Birth Announcements

BELLE GLADE - Mr. and Mrs. Van LaSalle Randolph announce the birth of their daughter, Vantrice LaTrelle, on October 3, 1977 at Glades General Hospital, Belle Glade.

BELLE GLADE - Mr. and Mrs. Thomas Carl Shows, of 801 N.W. 13th St., announce the birth of their son Christopher Carl, on October 3, 1977 at Glades General Hospital, Belle Glade.

BELLE GLADE - Mr. and Mrs. Bobby Alderman Monk, announce the birth of their son Benjamin Newly, of October 5, 1977 at Glades General Hospital, Belle Glade.

BELLE GLADE - Mr. and Mrs. Willie Lee Scott, announce the birth of their son, Willie Lee II, on October 5, 1977, at Glades General Hospital, Belle Glade.

BELLE GLADE - Mr. and Mrs. Ben Fields, Jr., of Belle Glade, announce the birth of their daughter, Vernal Eartha, on October 10, at Glades General Hospital, Belle Glade.

BELLE GLADE - Mr. and Mrs. Tommy Cardin of Belle Glade announce the birth of their daughter Krista Leigh, on Oct. 13, at Glades General Hospital in Belle Glade.

Obituary

THURMAN ALEXANDER PARSON

Funeral services were held Saturday for Mr. Thurman Alexander Parson, 63, of South Bay, who passed away October 12. Mr. Parson had been a resident of the Glades for 27 years, moving here from Paragardville, Missouri. He was retired and was a member of the Church of All Nations of South Bay.

Survivors include his wife, Virginia; two sons, Thurman Eugene of Clewiston and Dural Wayne of South Bay; five daughters, Gay White of Clewiston, Nellie Bobst of South Bay, Sandra Trowell of Belle Glade, Sherrill Helveston of South Bay, and Debra Holland of Pahokee; three brothers, Woodrow Parson of Deerborn, Mich., W.E. Parson of Hartwell, Ga., and Ed Parson, Jr., of West Plains, Mo.; and five sisters, Rosella Hollis and Roberta Hollis, both of Portageville, Emille Brannon of Belle Glade, Wimmell Parson of St. Louis, Mo., and Francis Parson of St. Louis.

He is also survived by 16 grandchildren. Services were held at 2 p.m. at the Church of All Nations in South Bay. Reverends Thurman Eugene Parson and W.W. Cobb, Jr., officiated. Burial followed in Port Mayaca Cemetery.

Pallbearers included Johnny White, J.D. Johnson, Jack Burns, Robert Hallon, Buddy Towell and Rev. David Best. Mixon Funeral Home was in charge of arrangements.

the RIGHT LIGHT

THE PROFESSIONAL PHOTOGRAPHER gives careful thought and study to lighting his subject. Contrasts must be right and reflections must be right to achieve the best effects.

Individuals' lives reflect how they think and what they believe. Our lives count most, when we attend church regularly and walk in the light of the Lord.

Carter Chevrolet-Oldsmobile

Dealership is success

Gordon Carter is the owner of Carter Chevrolet-Oldsmobile located at 2814 East Main Street in

Phaokee. He has been the owner for almost one year, having the dealership last November.

Carter was born and reared in Section, Alabama. He graduated from Section High School, where he played baseball. He then attended Auburn University, from which he graduated with a degree in accounting. He is also a Certified Public Accountant.

Carter is very pleased so far with the 1978 sales. He said that new car sales were up compared to this time last year. As far as he is concerned, 1978 should be a banner year for new car sales. This is in the Glades area as well as elsewhere.

Something different about this year is that the new 8-cylinder diesel engine will be introduced in the full-size Oldsmobiles and the Chevrolet pickups.

Carter is also excited about the new lineup of the intermediate size cars, such as the new, restyled Monte Carlo and Malibu lines. The new Olds Cutlass line up is also really sharp, according to Carter.

As far as the small car in concerned, he also has an expanded line up of these. The

Chevette includes a new high output engine, and the addition of a 4-door model should enable it to compete favorably with all imported models.

Carter feels these factors are important to all American small car buyers. He says that with the number of Chevrolet dealers and the number of products being manufactured in the United States, consumers will find it very easy to get their small cars serviced. In addition, the new small cars are competitively priced.

The fact that for the first time General Motors has extended its new car warranty is another exciting feature for 1978. This warranty applies to all 1978 models GM vehicles and will reduce maintenance for the first year.

Carter maintains an excellent service staff. They work on all models. Two technicians, Kell Hood and Russell Harlow,

will be attending a new car school in Wilmington, Delaware.

Carter said that he has really enjoyed his stay in the Glades. He feels that the people here are the friendliest in the world. He plans to continue serving them for many years to come.

He and his wife, Jo Ellen, who is from Belle Glade originally, have one son, Thomas Gordon Carter, Jr., who is two. When not working, Carter enjoys playing golf.

Before moving to the Glades, Carter was the general manager of a Buick/Cadillac dealership in Columbus, Georgia.

It is very easy to understand Carter's success. When entering Carter Chevy-Olds, the customer is always greeted with a friendly smile and cheerful "hello". Carter is always willing to spend as much time as is needed with each and every person. For this reason, it is believed he will continue to be a success in the Glades area.

Registrations are now being accepted at PBJC

By Alice Zacherl
Mary Orsaino, Registrar at the Glades, announces the class schedule for the PBJC winter term is available for students and interested persons. Classes will be at the new campus site on State Road 715.

Registration, however, will continue in the Army Building as the move to the new building is tentatively set for late December. Registration for currently enrolled students will open Nov. 3. New students and students returning to college after a lapse in attendance,

will be able to register anytime after Nov. 7.

The new term starts Jan. 9, 1978, and ends May 4, 1978. Tuition for in-state students is \$14 per hour, or \$42 for a three credit-hour course.

Two courses are being offered for the first time in the Glades: Music History and Sports Officiating. The newly equipped Business Lab will provide up-to-date facilities for the eleven courses offered in that area.

Over 50 classes are scheduled for the winter term; many choices are possible in education, English, mathematics and social science.
